

CARE FOR EACH OTHER

I promise to:

01. Look after my health — by regularly washing and sanitising my hands.
02. Keep a safe distance from other groups — by choosing open spaces and respecting local rules.
03. Act immediately if I feel unwell — by following advice, sharing information and returning home if I need to.

CARE FOR THIS EPIC LAND

I promise to:

01. Protect this beautiful land — by leaving no trace behind.
02. Care for our countryside — by sticking to paths, leaving gates as I find them, and keeping dogs on leads when needed.
03. Embrace Wales' open spaces — by avoiding crowded areas and preparing for each adventure, come rain or shine.

CARE FOR OUR COMMUNITIES

I promise to:

01. Become a part of the place I'm visiting — by enjoying the culture and language when I'm there.
02. Enjoy the best Wales has to offer by choosing local businesses and buying Welsh produce.
03. Help each place prepare for my visit, by booking ahead wherever I can.
